Allahabad Bank Ltd.

This is one of the disputes referred to us for adjudication by the Government of India, Ministry of Labour Notification S.R.O. No. 42 dated 8th January 1952. It appears there as Serial No. 39. The nature of the dispute as set out therein is as follows:

"Discharge from service".

Since the Bank did not furnish us with the address of the workman, notice was issued by registered post to the workman "care of General Secretary, Allahabad Bank Employees' Union, Delhi", on 22nd February 1952. As nothing was known about the service of the notice, we directed a second notice to be issued on 28th July 1952 to the same address with copy of the same endorsed to the Bank. The Union accepted the service on behalf of the workman but did not file any statement. The Bank also, in its letter dated 21st August 1952, wrote to us as follows:

"With reference to your Notice No. 3193 of the 28th ultimo, as no statement has been received from the above it is presumed that he has now no dispute to be adjudicated by the Tribunal".

We therefore, directed the matter to be posted on 19th September 1952 when the representative of the Allahabad Bank Employees' Union submitted that the Union was not aware of the whereabouts of the workman and that the case may be treated as withdrawn. The representative was asked to file a letter to that effect and the same is now before us. The letter runs as follows:

"Please note that the above case was represented by me before the Senior Tribunal. After the said Tribunal rejected the request of the employee, he left Delhi and his whereabouts since then are not

known. In the circumstances, the case may please be treated as withdrawn"

In view of this, we are satisfied that no useful purpose is served by keeping the case still pending before us. We hold that there is now no dispute to be decided and pass an award that no orders are necessary.

This is one of the disputes referred to us for adjudication by the Government of India Ministry of Labour Notification S.R.O. No. 42 dated 8th January 1952. It appears there as Serial No. 91. The nature of the dispute as set out therein is as follows

'Dismissal from service'.

Since the Bank did not furnish us with the address of the workman, notice calling for a statement of the case from the workman was issued by registered post to the workman 'care of the President, Bank of Bihar Employees' Association, Patna' on 9th May 1952. The Association accepted the service on behalf of the workman but did not file any statement. The case was directed to be posted on 19th September 1952 when it was submitted before us by a representative of the Bank of Bihar Employees' Association that the Association was not in a position to pursue the case any further as the Association had completely lost contact with the workman. The representative was asked to file a letter to that effect and the same is now before us. The letter runs as follows

'With reference to the above we beg to state that as we have lost complete contact of the above employee we shall not be in a position to pursue the case any further and you may inform the Tribunal accordingly'

In view of this no useful purpose is served by keeping the case still pending before us. We hold that there is now no dispute to be decided and pass an award that no orders are necessary

| Messrs India Equitable Insurance Co. Ltd., and its workmen          | 21 of 1951       |

Usual notices were issued to all concerned for filing statement of claims and written statements and on the application of Shri Puspa May Das Gupta, Joint Secretary, Insurance Office Employees' Association of Bengal, the Unions were allowed to file similar statement of claims in all cases if so desired.

Now in the case of Messrs. National Indian Life Insurance Company Ltd., Calcutta and its workmen (Reference No. 12 of 1951), the Reference was to come up for hearing on the completion of the pleadings that meanwhile an agreement by

both sides dated 25th July, 1952, was filed with the request that the same be ratified and award be made on the basis of that agreement. The parties appeared before the Tribunal this day, the 6th October, 1952, for the ratification of the terms of agreement and their statements which are reproduced in the Annexure I were duly recorded. The Punjab National Bank Ltd..... Opposite Party.

This is a complaint under Section 33A of the Industrial Disputes Act (Act XIV of 1947), by the abovenamed workman of the Punjab National Bank Ltd, alleging that the Bank contravened the provisions of Section 33 of the Industrial Disputes Act (Act XIV of 1947), in terminating his services on 16th January, 1952. In pursuance of the notice issued by the office of the Tribunal the Bank filed its reply statement contending *inter alia* that there was no substance in the complaint and that it should be rejected with costs. The case had a few adjournments and in the course of one such adjournment it was represented by the parties to the dispute that the matter was likely to be settled. The complaint was finally called on 27th September, 1952, when the parties filed before us a memorandum embodying the terms of agreement between them. The memorandum runs as follows:

"In the above case the parties have come to an agreement that Shri Jaikishan Lal Goyal will be reinstated as an Assistant Cashier in any branch in the Punjab with continuity of service on the same emoluments which he was drawing at the time of his dismissal. He will not be paid any compensation for the intervening period i.e. from the date of discharge to the date of reinstatement.

The above terms of the agreement should be awarded accordingly".

In these circumstances we pass an award in terms of the above agreement.
